LA NOSTRA

AZIENDA

IT

Dalla passione per il dettaglio, la cura delle lavorazioni, la tradizione e l'esperienza maturata nel settore, nasce nel 1968 Il Trenino, dedicato alla moda bimbo 0-14 anni. Dal 1998 la ditta ELE s.r.l. con il marchio "Il Trenino" fa parte del Consorzio Italian Kids Fashion - consorzio che si occupa della promozione all'estero di aziende moda bambino "Made in Italy" - ed è licenziataria del marchio Woolmark, come ulteriore garanzia di qualità del prodotto. Oggi come ieri, il Trenino crea cappelli, sciarpe, guanti, scarpine e accessori moda per i più piccoli. Ricerchiamo costantemente i migliori materiali, studiamo le tendenze e ci ispiriamo alla tradizione e alla qualità della moda e del design Italiano. Tutte le fasi di lavorazione sono eseguite in Italia, nel rispetto dell'ambiente e della sicurezza. A tutto ciò uniamo la passione per il fatto a mano. Per questo ogni nostra creazione è unica.

EN

Born in 1968 from a passion for detail, craftsmanship, tradition, and industry experience, Il Trenino is dedicated to fashion for children aged 0 to 14. Since 1998, the company ELE S.r.l., under the brand "Il Trenino," has been part of the Italian Kids Fashion Consortium—an organization that promotes "Made in Italy" children's fashion brands abroad—and is a Woolmark licensee, offering an additional guarantee of product quality. Today, as in the past, Il Trenino designs and produces hats, scarves, gloves, booties, and fashion accessories for little ones. We constantly seek out the finest materials, study current trends, and draw inspiration from the tradition and excellence of Italian fashion and design. All production stages are carried out in Italy, with full respect for the environment and safety standards. To all of this, we add a passion for handmade craftsmanship. This is why every one of our creations is unique.

RU

Бренд Il Trenino появился в 1968 году, рожденный из страсти к деталям, внимательного отношения к производству, традиций и многолетнего опыта в отрасли. Он посвящён моде для детей от 0 до 14 лет. С 1998 года компания ELE S.r.l., владелец марки Il Trenino, является участником Консорциума Italian Kids Fashion — объединения, занимающегося продвижением итальянских детских модных брендов за рубежом, — и обладает лицензией Woolmark, что служит дополнительной гарантией качества продукции. Сегодня, как и раньше, Il Trenino создаёт шапки, шарфы, перчатки, пинетки и модные аксессуары для самых маленьких. Мы постоянно ищем лучшие материалы, изучаем модные тенденции и вдохновляемся традициями и качеством итальянской моды и дизайна. Все этапы производства осуществляются в Италии с соблюдением экологических норм и стандартов безопасности. Ко всему этому мы добавляем страсть к ручной работе. Именно поэтому каждое наше изделие — уникально.

Il Trenino 品牌诞生于1968年，源于对细节的热爱、对工艺的专注、深厚的传统以及在行业中积累的丰富经验，专注于为0至14岁的儿童打造时尚产品。自1998年起，ELE S.r.l. 公司旗下品牌 Il Trenino 成为 Italian Kids Fashion 联盟成员，该联盟致力于将“意大利制造”的儿童时尚品牌推广到海外。同时，我们也获得了 Woolmark 的授权许可，为产品质量提供了额外保障。如同过去一样，Il Trenino 现今依然设计并生产儿童帽子、围巾、手套、婴儿鞋及时尚配饰。我们不断寻找最优质的材料，研究流行趋势，并从意大利的时尚与设计传统中汲取灵感。所有生产环节均在意大利本地完成，严格遵守环保和安全标准。我们对手工艺充满热情。正因如此，我们的每一件作品都是独一无二的。

TREND

Made for little ones,
loved by generations.

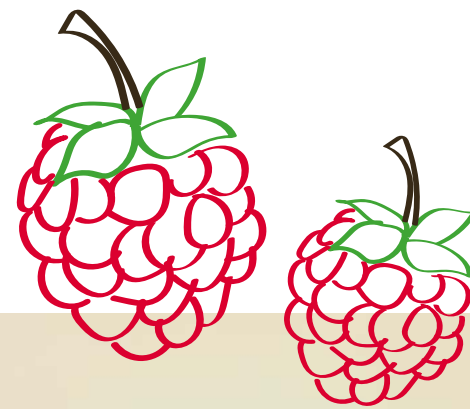

We believe in lasting quality, in knowledge passed down through generations, and in the beauty of things made well. All our products are crafted in Italy, in our own workshop, following processes that respect the environment, people, and materials. Each piece is finished by hand, because for us, craftsmanship means attention, responsibility, and care.

The Il Trenino SS26 collection is a tribute to sunny days, light strolls, and the little adventures of childhood. Fresh fabrics, fruity prints, soft and playful shapes — every piece is designed to protect, adorn, and stylishly accompany every childhood moment. Small details, big emotions.
